

IN THE HIGH COURT OF JUDICATURE AT PATNA
S.A. No.634 of 1991
JANAK DUBEY
Versus
JAGDISH DUBEY & ORS

9/ 14.09.2009

Office has noted that the instant second appeal was filed on 03.12.1991 and was disposed of on 03.03.1998 and after writing table of contents the said file was sent to the Record Room for being deposited. It is also noted that after lapse of three months the Record Room returned the file on the pretext that its first (title) page was missing. It is noted by the office that although the entire file with the first (title) page was deposited in the Record Room, but the said first (title) page was lost in the Record Room itself.

In any view of the matter the first (title) page was not the vital part, as all the relevant and vital orders are on record and the first (title) page is also reconstructed already. In the said circumstances, the Record Room is directed to accept the file of this second appeal, if deposited by the second appeal section.
